Meet Our Family Medicine Residents

Caleb Frey, MD

Class of 2022

WHAT ARE YOUR CAREER GOALS?

To be the best doctor that I can be. To continue to grow as an individual and as a physician. I am very excited about becoming a well-rounded family physician.

WHY CHOOSE DEACONESS?

I was able to rotate at Deaconess as a medical student and had a great experience. It was my favorite rotation. The faculty and residents at Deaconess are great to work with and fun to be around. I am confident I will get the training I need to be a successful family physician.

WHAT IS THE BEST PART OF LIVING IN EVANSVILLE?

I am excited about coming back to the Midwest after being gone for several years. I am most excited about coming back to the kind and hardworking people of Evansville. Evansville is a nice size community with lots of unique features. I look forward to getting to know the community better.

Hometown:

Shipshewana, Indiana

Undergraduate Training:

Goshen College

Medical School:

American University of the
Caribbean School of Medicine

Hobbies/Fun Fact:

I played soccer in college and continue to enjoy running and lifting weights. I am a sports fan, especially of the NBA. I also love fishing and deer hunting.
