Meet Our Family Medicine Residents

Katherine Schaefer, MD **Class of 2027**

ABOUT ME

I was born and raised in Evansville and went to Reitz Memorial High School. I attended undergrad at Auburn University where I majored in Biomedical Sciences. After college, I returned home to complete all four years of medical school at the Indiana University School of Medicine campus in downtown Evansville.

WHY CHOOSE DEACONESS?

I was lucky enough to rotate at the DFMR during my fourth year of medical school and really enjoyed my experience. The residents and faculty were very welcoming and eager to teach, and it solidified my decision to want to attend this program. Being in my hometown with my friends and family is also a big plus! I'm interested in all things family medicine, but I'm especially passionate about medical education and women's health.

HOBBIES/INTERESTS

In my free time, I enjoy reading/listening to audiobooks, playing sand and indoor volleyball, attempting to play the guitar, and trying new restaurants.
