Meet Our Family Medicine Residents

Mackenzie Denton, DO, MPH

Class of 2023

WHAT ARE YOUR CAREER GOALS?

I want to practice in an outpatient setting providing my patients with high quality care and education to assist them in making the best health care decisions.

WHY CHOOSE DEACONESS?

Deaconess is such a large part of health care in the tri-state region and offers excellent training opportunities. I became interested in Deaconess while I was rotating as a third and fourth year student in Henderson, KY. After my interview and spending time in the clinic with a resident, I couldn't see myself training anywhere else.

WHAT IS THE BEST PART OF LIVING IN EVANSVILLE?

Evansville has so much to offer for a young family—great restaurants, the Children's Museum, the Zoo, the list can go on and on. It fits perfectly for our family! We have loved being in the area for the last few years and can't wait to spend more time here!

Hometown:

Hopkinsville, Kentucky

Undergraduate Training:

Western Kentucky University

Graduate:

Western Kentucky University,
Public Health - Health Education

Medical School:

University of Pikeville - Kentucky
College of Osteopathic Medicine

Hobbies/Fun Fact:

Trying out new recipes, online shopping and spending time with family. I spend most of my free time with my husband, our two daughters, and our dog.
