Jennifer Turpen, DO

Class of 2021

WHAT ARE YOUR CAREER GOALS?

To help people live healthy, happy lives and help train the next generation of doctors.

WHY CHOOSE DEACONESS?

It provides a comprehensive education and an edifying working/teaching environment, in a familiar community. There's also the added benefit of my family living close by, and being in Evansville provides a way for my husband keep his job.

WHAT IS THE BEST PART OF LIVING IN EVANSVILLE?

Like most kids who grew up in Evansville, I couldn't get out of Indiana fast enough; however, after living in many different places across the country, I can say that I am truly glad to be able to call Evansville home once again.
