WHAT ARE YOUR CAREER GOALS?

I want to be a well-rounded physician. I would like to work in an outpatient clinic and urgent care.

WHY CHOOSE DEACONESS?

I chose Deaconess because it is an amazing hospital system. It is an unopposed residency with friendly and knowledgeable faculty. I loved seeing how confident and well rounded the senior residents were when I visited. Deaconess offers many opportunities for elective rotations in areas of interest to me including pediatrics, women's health and sports medicine.

WHAT IS THE BEST PART OF LIVING IN EVANSVILLE?

I was so impressed when I visited Evansville, by the patients and people in the community. Everyone was incredibly kind and welcoming. I love the scenery in Evansville; with it being situated on the river it is a beautiful backdrop to a wonderful community. Evansville has so much to offer with a small city feel and it is within driving distances of larger cities in Kentucky and Tennessee.
