Class of 2022

WHAT ARE YOUR CAREER GOALS?

In an ideal world, I would love to work part-time in an outpatient clinical practice and part-time in the emergency department.

WHY CHOOSE DEACONESS?

As an unopposed program offering a plethora of procedural training opportunities, Deaconess Family Medicine Residency (DFMR) aligned well with beginning my ultimate career goal of becoming a *doctor's doctor*. Additionally, after meeting with Dr. Volz, Phifer and Cordts, I knew that the DFMR faculty and staff would be committed towards helping me grow as a physician and as a person. Having all four seasons with way less snow was not too shabby of an offer either.

WHAT IS THE BEST PART OF LIVING IN EVANSVILLE?

The geniality of the community is ubiquitous and contagious. I also admire the feeling of being part of a community with a blue collar attitude—where a solid meal, a good cup of joe and smile are around every corner.
