deaconess.com/research

- Deaconess Clinic is one of Indiana's largest multi-specialty physician groups, with nearly 200 primary care and specialty physicians at 26 primary care locations throughout southern Indiana, southeastern Illinois and western Kentucky.
- Deaconess Clinic investigators consistently rank among the top enrolling research sites due to their access to nearly 210,000 active primary and specialty care patients through a single electronic medical record.
- Deaconess Clinic Allergy is one of six research sites Deaconess offers sponsors to consider for placement of their clinical trials.
