About Us

High Pointe Therapy helps children from infancy to adolescence overcome their developmental delays. Our specialized Pediatric Therapists have many years of experience in treating babies and children in need of physical, occupational or speech therapy. Our Therapists also work with babies in the Neonatal Intensive Care Unit and after discharge in the Developmental Follow-Up Clinic.

Our specialties include:

- Feeding difficulties
- Orthopedic injuries
- Sensory issues
- Developmental delays

Referrals

Epic providers can submit a referral to 'physical medicine' and choose High Pointe as the location. Referrals can also be sent via fax at 812-842-2821. Patients can ask their child's primary care provider for a referral or call us at 812-842-0283.
